

Try Transit Program

What is the Try Transit Program?

This San Mateo County program provides free transit tickets to commuters interested in trying BART, Caltrain, AC Transit M Line, AC Transit Dumbarton Express, SamTrans or VTA.

What is the purpose of this program?

This program encourages commuters to try a new, stress free and money saving commute option.

How do I know if my employees are eligible?

- Applicant must not be a current transit rider.
- Selected transit agency must offer service to applicant's regular origin and destination.
- Applicant must reside in San Mateo County or travel to, from or through San Mateo County.

How can my employees take advantage of this program?

As an employer, you can contact your Alliance representative and request copies of the Try Transit Program application. Employers often place these applications in new hire packets or in information kiosks within the office.

Or

You can direct your employees to http://www.commute.org/programs_free_tran_ticket.asp to fill out the online application.

This is a one time only incentive. This offer is based on availability. One offer per person/per household; while supplies last.

What if our site is not close to transit?
